

# Transform your workplace with Microsoft 365

**Empower your staff to work and collaborate more effectively with SharePoint, Microsoft Teams and OneDrive.**

Microsoft 365 provides great tools to enable collaboration and improve process but selecting and standardizing on the right tool for the job can be challenging. Compass365 will help you accelerate your digital transformation with Microsoft 365 collaboration tools. Our workplace collaboration services include:

## DISCOVERY WORKSHOPS

Explore your group, department or organizational goals for collaboration while meeting your compliance requirements.

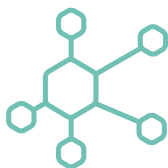

## DEMOS & DISCUSSION

Learn about available tools and features: what to use when, and why.

## INFORMATION GOVERNANCE

Get recommendations to manage your creation, approval, and decommissioning lifecycles.

## ORGANIZATIONAL STRUCTURE MAPPING

Deploy platforms to address your unique way of working internally and externally.

## STANDARDIZATION OF PATTERNS & PRACTICES

Develop your templating, automation, request and approval processes.

## TRAINING, ADOPTION & BEST PRACTICES

Instructor-led training for end users and administrators.

Contact us today to arrange a complimentary consultation with one of our Solutions Architects.

# Enabling organizations to improve operations with Microsoft 365 is our passion

With our services you can expect to

## DELIVER FASTER

Leveraging our expertise in Microsoft technologies, we help you transform your workplace faster than going it alone.

## AVOID MISTAKES

With hundreds of projects successfully delivered, we help you avoid the common pitfalls that can derail your efforts.

## ESTABLISH A FOUNDATION

Utilizing Microsoft's Best Practices, we help you establish a solid foundation to build upon as you grow and expand.

## Who we are

We combine our years of SharePoint, Microsoft Teams and Power Platform expertise with proven methods to help improve the way companies work, operate, and confidently get the value from their Microsoft investments.
