

Hi %%First-Name%%,

From all of us at Compass365, we'd like to wish you and your loved ones a joyful holiday season and a fantastic 2025!

As we close out the year, we wanted to share some of the exciting announcements from Microsoft Ignite 2024. Here are our highlights:

#### Microsoft 365 Copilot

- New AI tools like SharePoint Agent (document help), Teams Interpreter (real-time translations), and HR/IT bots are here.
- IT teams get a Copilot Control System for better security.
- Copilot Actions and Pages make tasks and workflows a breeze.

#### Power Platform

- Copilot Studio lets you create custom AI agents to simplify work.
- Plan Designer helps developers turn ideas into solutions.
- Managed Security tools keep apps and data safe.

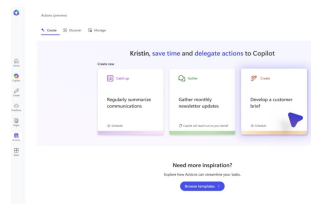

#### Microsoft Teams

- Microsoft Places optimizes office life with tools like in-office day suggestions, room booking help, and space analytics.
- Chat and meeting tools are smarter, offering threaded conversations and multilingual translations.

Microsoft is pushing AI to make your work smarter and faster. Learn more about what was announced at the event in the resources below.

These events inspire our team to keep learning, growing, and finding better ways to serve our clients and community. Thank you for subscribing and being an invaluable part of our community. We're excited to see what 2025 brings to how we work with the Microsoft 365 platform. Wishing you a wonderful holiday season and a happy New Year!
