

Hi %%First-Name%%,

Microsoft's latest *Work Trend Index* report, "2025: The Year the Frontier Firm is Born," reveals how leading organizations are turning AI into a competitive advantage. These "Frontier Firms" are using AI not just as a tool—but as a digital coworker—to boost productivity, drive innovation, and rethink how work gets done.

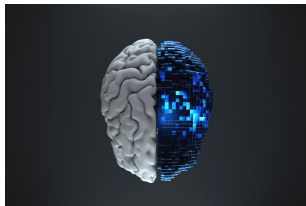

Key takeaways:

- 71% of employees at Frontier Firms say their company is thriving (vs. 37% globally)
- AI agents are becoming digital coworkers—helping manage tasks, projects, and entire workflows
- Successful organizations are shifting to outcome-based work and investing in AI readiness

Is your organization ready to take the next step?

We help enterprises prepare for AI transformation with strategy, governance, and implementation support tailored to your Microsoft 365 environment. [Contact us](#) to begin the conversation
