OUR PROCESS

ASSESS

Evaluate content, governance, security, and licensing; deliver a Readiness Scorecard and action plan.

OPTIMIZE

Clean up content, apply metadata, and restructure SharePoint/Teams for Copilot usability.

ALIGN

Configure security and compliance policies with Microsoft Purview, sensitivity labels, and DLP.

ENABLE

Provide tailored training, governance guidance, and change management for adoption.

PILOT & SCALE

Run a controlled pilot, gather feedback, refine, and scale across the organization.
