

Hi%%First-Name%%,

As Thanksgiving approaches, we're reminded how grateful we are to partner with you. Your trust, collaboration, and continued engagement make our work truly meaningful. We're equally thankful for our Compass365 team. Our architects, consultants, and developers bring curiosity, creativity, and thoughtful problem-solving to every project, ensuring we deliver solutions that support your goals today and prepare you for what's next.

Thank you for allowing us to be part of your Microsoft 365 journey. We look forward to continuing our work together in the year ahead.

Wishing you and your loved ones a warm, joyful, and restful holiday season. Happy Thanksgiving from all of us at Compass365!

Get to Know the Compass Team

Iwona Kepenyan Lead Systems Developer

Iwona is a key force behind Compass365's custom SharePoint intranets, transforming complex needs into intuitive, user-friendly experiences.

Areas of Expertise: SharePoint customizations and integrations (both front-end and back-end), SharePoint Framework (SPFx), OAuth, Power Automate, Azure Functions

"I thrive on challenging customizations where out-of-the-box functionality falls short and enjoy pushing the boundaries to deliver innovative solutions that meet clients' unique needs and help them achieve their business objectives"

- Iwona Kepenyan

As always, the Compass365 team is here to assist you in improving the way your organization operates and your employees work with SharePoint and the Microsoft 365 platform. If you have a vision for driving improvements and would like to discuss your ideas with our team of Microsoft consultants, please reach out at any time.
